

Overview of committed use discounts reports

Overview

[Committed use discounts \(/docs/cuds\)](/docs/cuds) (CUDs) are spend-based or resource-based discounts, depending on the Google Cloud service offering the discounts. When you purchase CUDs, you receive discounted prices in exchange for your commitment to use either a minimum level of resources or spend a minimum amount, for a specified term of one or three years. Upon purchase, you are billed a monthly fee for the duration of the term you selected, whether or not you use the services.
